AI-POWERED BRAND PROTECTION FOR PARTNERS

Offer brand monitoring your customers can't build themselves.

Monitor every customer brand from one dashboard, catch phishing sites in minutes, and take them down — all under your brand.

24/7
MONITORING PER CUSTOMER

Continuous protection, without 24/7 staffing.

Multi-Tenant Monitoring

Every customer brand, one dashboard.

White-Label Alerts

Customers see you as the protector.

Per-Customer Reporting

Executive-ready, QBR-ready.
